THE

Daily Register

AND

WEEKLY GAZETTE

ARE THE

Leading Newspapers in Eastern New York.

THE REGISTER

IS THE

Only Evening Paper between New York and Albany that receives the Telegraphic Reports of the Associated Press, or in fact ANY Telegraphic News Reports. This, in part, accounts for its great popularity and wide circulation.

The value of these Papers as Advertising Mediums

IS APPARENT.

M. PARKER WILLIAMS, Proprietor.

The Hudson Gazette,

(Democratic in Politics,)

WAS established in 1784, dating almost from the foundation of our Government; and since the birth of the Democratic Party (half a century ago), it has been a zealous and influential organ of that political organization. It has kept full pace with the progress of the age, and improved from time to time, until it is now one of the largest and best filled weekly journals in the State. It contains a complete record of the events of the week, at home and abroad; choice literary reading; vigorous editorials on the the leading topics of the day, and is in every respect a first-class family paper.

THE GAZETTE has a larger circulation than ANY OTHER TWO PAPERS published in Columbia County. It reaches nearly every family in the county, has a large circulation in the adjoining counties, penetrates nearly every State and Territory in the Union, and has subscribers scattered all over the globe.

M. PARKER WILLIAMS,

EDITOR AND PROPRIETOR.

The Daily Register,

(Independent in Politics,)

WAS established in 1866, to supply a want long felt in this community, for an organ to advance the business interests and creditably represent the city abroad. That it has been true to its mission, and is appreciated by the people, is shown by the liberal patronage extended to it.

The REGISTER is a member of the Associated Press, and the only evening paper between New York and Albany belonging to that powerful organization—a franchise in which costs TEN THOUSAND DOLLARS. It contains telegraphic news from all parts of the world, and a complete record of local events to the hour of going to press, and is mailed in season to reach the neighboring villages on the Hudson River, Albany and Boston, and Harlem Railroads, on the evening of publication. It has MORE THAN DOUBLE THE CIRCULATION ever attained by any other daily journal on the Hudson River south of Albany.

HUDSON:
BRYAN & WEBB, PRINTERS.

1875.

The Columbia Republican,

TERMS, $1,50 A YEAR, IN ADVANCE,

BRYAN & WEBB, Proprietors,

PUBLISHED AT

100 Warren Street, Hudson, N. Y.,

EVERY TUESDAY MORNING.

The Republican is the only weekly newspaper in the city of Hudson whose contents are specially prepared for it—thus affording an opportunity for condensation and arrangement that cannot fail to be of advantage to the general reader.

It aims to carry into the family circle nothing that will corrupt the taste, weaken the understanding or undermine the morals of the young.

Its selections are made with care and discrimination; its Local Record can be relied upon as correct; and every number will contain an outline of the important news of the week.

As the established advocate and exponent of Republican principles it holds the first place in the confidence of the party, and is entitled to a liberal support.

It is our purpose to make the Republican more than ever the organ of the Taxpayers at large, as opposed to all forms of "grabbing" or corruption in or out of the Board of Supervisors.

Under the new postal law there will be no more postage required in the county, or out, when subscriptions are paid in advance.

The Columbia Republican,

TERMS, $1,50 A YEAR, IN ADVANCE,

BRYAN & WEBB, Proprietors,

PUBLISHED AT

100 Warren Street, Hudson, N. Y.,

EVERY TUESDAY MORNING.

The Republican is the only weekly newspaper in the city of Hudson whose contents are specially prepared for it—thus affording an opportunity for condensation and arrangement that cannot fail to be of advantage to the general reader.

It aims to carry into the family circle nothing that will corrupt the taste, weaken the understanding or undermine the morals of the young.

Its selections are made with care and discrimination; its Local Record can be relied upon as correct; and every number will contain an outline of the important news of the week.

As the established advocate and exponent of Republican principles it holds the first place in the confidence of the party, and is entitled to a liberal support.

It is our purpose to make the Republican more than ever the organ of the Taxpayers at large, as opposed to all forms of "grabbing" or corruption in or out of the Board of Supervisors.

Under the new postal law there will be no more postage required in the county, or out, when subscriptions are paid in advance.

A First-Class Advertising Medium.

It Has a Large Circulation among the Farmers' of Columbia Co.
